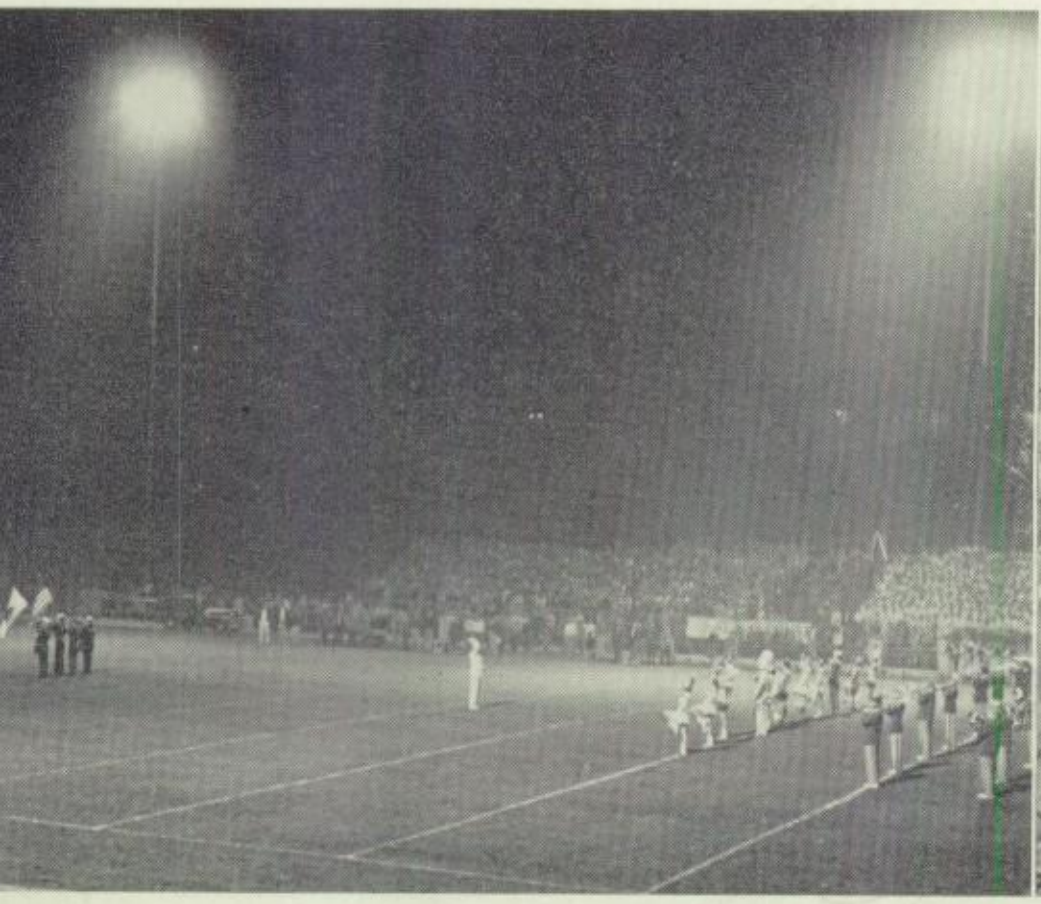
All hail to thee our alma mater,
Brave heart strong and true;
We, your loyal followers, pledge
our faith to you.
Here among your rolling hills,
Beneath your skies of blue;
We honor and obey your will,
Las Lomas, hail, hail, hail.

DEDICATION

Developing a school such as ours is a difficult task which requires the co-operation of both the students and the community. We, the students, are very grateful to those who have so unselfishly given of their time and energy for our benefit. The Parents Club have made many of our long-range ideas realities. Our swimming pool, completed three years ago, was one of their most successful undertakings. When that was accomplished, their next project was to launch a fund-raising drive for the purchase of lights for our football field. Our library, a very necessary part of our education, is rapidly increasing in volume because of the generous donations on the part of our community. The local service clubs and organizations have encouraged our scholastic efforts in such ways as granting scholarships and awards to deserving students. Our underclassmen realize what they have to work towards when they see what those ahead of them have achieved. The merchants also have contributed greatly towards the success of many of our projects, especially school publications.

We feel that the most rewarding enterprise for this year was lights for our field. After many hours of anxiety on the part of all, their installation was completed for our last football game of the season. It is not enough to thank any one group or organization for the part it has played in the development of Las Lomas, for many have contributed to all phases of our school life. Therefore, in deepest appreciation, we thank our Parents Club, the merchants, and the people of Walnut Creek; to them we dedicate the 1957 El Caballero.



ADMINISTRATION

MR. NEIL M. PARSONS

PRINCIPAL

Six years have passed and Las Lomas has grown from a small to a large high school. At times it is even difficult to realize that, despite rapid growth, the teachers and students are still closely united. And we hope that Las Lomas will always be known as a friendly school with a wonderful spirit and with the informal and relaxed atmosphere which we consider so precious.

We at Las Lomas have just completed another year —successful in scholarship, citizenship, and sportsmanship. Our school has been recognized as a leader among schools in California because of its outstanding faculty, excellent guidance, and exceptional student body. You, as students, are to be complimented on the excellence of your teams in athletics, for the record you have shown in scholarship, and for the leadership you have shown in student body government.

Your parents and the members of the community have made these accomplishments a realization. We are all highly indebted to those who have made possible our football field lights this year and we recognize the many fine contributions that have been given us in years past.

SUPERINTENDENT OF SCHOOLS

Mr. Neil Parsons, as the Superintendent of the Acalanes High School District, is responsible for coordinating curriculum and personnel planning, and is concerned with matters of finance and school construction in our area.

Since Mr. Parsons' election to this office in 1941, educational facilities of the Lafayette, Walnut Creek, and Orinda communities have been greatly expanded. At one time Acalanes High School represented our district. Now, Las Lomas and Miramonte High Schools have been added to alleviate the congestion in the Walnut Creek and Orinda areas. Already, Mr. Parsons and the members of the Board of Trustees are planning conferences with school planners and architects to prepare for a fourth high school—tentatively slated for Walnut Creek.

MR. LELAND S. RUSSELL

BOARD OF TRUSTEES
LEFT TO RIGHT: Mr. Carl Newbury, Mr. Will C. Hall, Mrs. Alice McBride, Mr. William Freeman, Mr. Ralph Hall.

DEAN OF GIRLS

The Las Lomas Code of Ethics is particularly significant for our school. Although it is printed on the back of the Knights' Guide, and copies are posted in each classroom I would like to repeat the key words adopted by our students: Loyalty, Attitude, Scholarship, Leadership, Obligation, Maturity, Appreciation, and Sportsmanship. These goals may seem high, but the students are working earnestly to achieve them. The first, that of Loyalty, includes most of the others in a broad sense. There is truly a fine spirit of loyalty on the part of our student body to the school and to those principles for which it stands.

The students display pride in Las Lomas and the parents and faculty are proud of the students and of their excellent attitudes and achievements.

It is our hope that the seniors will attain future success and that they will carry on with the fine loyalty shown here. It is also our feeling that the other students will continue to enjoy and contribute to the excellent spirit at Las Lomas.

MRS. KATHRYN TAYLOR

MR. EDWARD E. LEACH, JR.

DEAN OF BOYS

Time passes quickly. The year 1956-1957 has seen a great period of consolidation in the traditions that have become Las Lomas High School during the past six years. We have become, in this short span of years, a powerful influence upon those about us in all phases of the school environment. In order to preserve our place, it is the moral obligation of each student to make a success of today and then we need not worry about tomorrow. We repeat, time passes quickly. There is nothing we can do about it as individuals except to see as far as possible that it passes fruitfully. Each and every one of us must always keep in mind during our daily endeavors for ourselves and Las Lomas that, "whether we will it or not we cannot journey without leaving footprints, and others will follow where we go because we have marked the way."

CLASSES

SENIOR CLASS HISTORY

"The class of 1957 resembles a good piece of music; it has harmony and lots of spirit." This statement by Mr. Russell has been proven again and again in the last four years.

It is very difficult to include all of the events in which this senior class has participated. It seems only yesterday, for example, that on September 10, 1953, one hundred and eighty-six of us gazed at Las Lomas for the first time. The wonder was short-lived, and we soon started taking an active part in school life. We elected our class officers, Webb Johnson, President; Judy Eggerts, Vice-President; and Judy Larsen, Secretary-Treasurer. Our class advisor was Mr. Gene Melville. Exciting things happened that first year. Webb Johnson and Wally Busch made the junior varsity football team. (At that time we were not entered in varsity competition.) Las Lomas, after doing well in football, won the Sportsmanship Trophy in basketball. We were off to a good start. December fourth marked the date of our freshman dance, "Holiday Dream." The dance was held in the multiuse room, which was decorated in a Christmas theme. In the spring of our freshman year the swimming pool neared completion, and the construction of the 400, 500, and 600 wings began. We won the right to the first swim in the new pool, and we looked forward to future classes in the new rooms.

Suddenly we were sophomores. We felt like old hands at high school. Our class officers that year were Ken Stevens, President; Bill Hyland, Vice-President; Lynne Turman, Secretary; and Marge Johnson, Treasurer. Our Soph Hop was called "Coral Capers" and had an underwater theme. Mr. Burk Faraola was our class advisor.

When our junior year began, we knew that big things were in store for us. Our football team was second in the league, defeated only by Pittsburg. Our Junior Prom was held on December 9, 1955, and it had the romantic theme "Moonlight Serenade." Couples danced to the music of Joe Palotta. Three of our classmen were elected to student body offices that year — namely, Ken Stevens, Treasurer, and Sue Wallace and Annette Ramelli, Cheerleaders. Madeline Deklotz and Ken Stevens were chosen to represent Las Lomas at Girls' State and Boys' State respectively. Norman Farauhar and Judy Larsen were selected as foreign exchange students, and during the summer of 1956 Norman went to Germany and Judy went to Norway. Kay Ross, representing our class, was voted Homecoming Queen at the Rally Committee Dance. Class officers that year were Bill Hyland, President; Jim Symington, Vice-President; Gail Penaluna, Secretary; and Madeline Deklotz, Treasurer. Mr. Crum was our class advisor.

There is something magical about a senior year. Somehow, everyone in the class feels like contributing his time and energies to school work and school activities. This year, the senior class deposited more money in the school bank than has any other class in the past years at Las Lomas. Our cake sale was the most successful one yet held at this school. The senior play, "Murder Walks Among Us," directed by Miss Jean Jensen, played to very enthusiastic audiences. The football lights were installed by the Parents' Club in time for our last football game with Acalanes. Our class started work on Senior Hill, which is to be completed by succeeding senior classes. Our high school spirit was evident on the various Senior Days which were held throughout the year. Eight seniors were elected to student body offices — namely, Ken Stevens, President; Jacqueline Laverty, Vice-President; Gail Penaluna, Secretary; Dave Gray, Treasurer; Joan Schuppert, Rally Commissioner; Bill Wells, Speaker of the House of Representatives; and Marge Johnson and Judy Larsen, Cheerleaders. Our own class officers were Parker Maddux, President; Roger Duncan, Vice-President; Kay Ross, Secretary; and Bruce McBride, Treasurer.

It took no time at all for the four years to come to a close. June 14 came and graduation exercises presented us officially to the world. School activities, classes, dances, etc., were no more, but the friendships and memories of exciting events would always be with us, no matter where we went. Las Lomas would always be part of us.

OFFICERS: Parker Maddux, President; Kay Ross, Secretary; Roger Duncan, Vice-President; Bruce McBride, Treasurer.

SENIOR OFFICERS AND COUNCIL

Senior Council has contributed greatly to the success of senior activities this year. The purpose of Senior Council is to select committees for various senior functions and to discuss plans for any activities of the Senior Class. Some of the projects that the Council undertook this year were: designing and selling football programs, selling refreshments at football games, managing the Senior Play, landscaping Senior Hill, publishing the Senior Newsletter, planning Senior Days, and managing and co-ordinating preparations for the Senior Ball. Members of Senior Council include the Senior Class officers and a representative from each Senior Problems class; Mr. Rowe and Mr. Melville are the Class Advisors.

SENIOR PLAY

As its Senior Play, the Class of '57 successfully presented "Murder Walks Among Us," a mystery-comedy in three acts by Lee and Lynde Miller. Directed by Miss Jean Jensen, the performances were presented on the sixth, seventh, and eighth of December in the school's multiuse room to very appreciative audiences.

The action of the play took place in a boarding house owned by Marian Gray and occupied by some very interesting characters. These characters included Uncle Wilbur, a grouchy old man who was seemingly hated by everyone, and who eventually became the victim of a murder; Carrie, the cook, and her nephew, Orrie Bleu; Sam Jackson, an old-time politician; Uncle Wilbur's niece, Lissa, and nephew, Bert; Wilbur's valet, Banks, and his secretary, Doris Wilson; Betsy, the southern belle; Matilda Lee, an old-maid seamstress; and Marian Gray's sister, Suzy. Inspector Benedict and his assistant, Mike, were called in to solve the murder of Uncle Wilbur, but Orrie and Suzy, the two amateur sleuths in the house, seemed to have more luck. Amid much laughter and confusion, the twosome received the glory by catching the murderer, who turned out to be "Smilin' Sam" Jackson.

JUNIOR PROM

Pink and silver was the color scheme for the junior prom, "Christmas Enchantment," presented by the Class of 1958 on December 14. In the center of the gymnasium stood a beautiful pink Christmas tree covered with angel hair, and pink and silver-wrapped boxes under its branches. The walls were decorated with murals of pink and silver angels done in contemporary design, and black Christmas trees on a field of pink. To the many couples that danced to the music of Murray Peterson, the prom was the highlight of the winter season. The general chairman of the dance was Burton Kummerow, junior class president.

FRESHMAN DANCE

Blue and white streamers, gay balloons, and playful kittens lined Senior Hall, while in the library, pictures of favorite performers like Fats Domino, Elvis Presley, Perry Como, and many others could be seen.

Informal atmosphere and good refreshments made the dance a memorable event.

STUDENT COUNCIL

The Student Council is the governing body at Las Lomas. The Council meets once a week and is composed of the nine Student Body Officers, the four Class Presidents, the Speaker of the House of Representatives, and the Presidents of the Honor Society, Block L.L., G.A.A., Girls League, and Boys Federation. The members of the Council represent the students in business transactions and social events. They also formulate school policy, pass bills, and plan the budget for the school year.

This year the Student Council headed the drive at Las Lomas for the March of Dimes, organized the program to raise money for our foreign exchange student, and sponsored the Freshmen welcome dance. An important function of our student government is participating in the Diablo Valley Inter-School Council. Las Lomas has provided the leadership in this newly formed group for the past two years, Ken Stevens being the President this year and Mike Edminster, former Student Body President, having been the first President of D.V.I.C.

The Student Council is under the direction of Ken Stevens, Student Body President; Jacqueline Laverty, Vice-President; Gail Penaluna, Secretary; Dave Gray, Treasurer; Bill Wells, Speaker of the House of Representatives; Joan Schuppert, Commissioner of Rallies; Mary Kay Weaver, Commissioner of Social Events; Nancy Soares, Commissioner of Publicity; Pete Ostrom, Commissioner of Grounds and Buildings; and Lin Jensen, Commissioner of Organizations.

HOUSE OF REPRESENTATIVES

The House of Representatives is a student organization whose function is to discuss all bills that originate in the English and social studies classes at Las Lomas. This organization provides the student with a voice in his government. The House, advised by Mr. Joseph Anthony, is composed of elected representatives from the various classes; the Speaker of the House, Bill Wells; the Parliamentarian, Jacqueline Laverty; and the Secretary, Lynda Quartarolo. The representatives in the House constitute specific committees, such as the Approval Committee, the Finance Committee, the Recall Committee, and the School Laws Committee. An important responsibility of the House of Representatives is the organization and development of the Las Lomas Code of Ethics.

COUNCIL OF ORGANIZATIONS

The Council of Organizations is a group which provides a common meeting ground for all organizations at Las Lomas. The Council of Organizations consists of representatives from the fifteen organized clubs at Las Lomas, and the members meet twice a month, at which times they approve club constitutions, make decisions concerning any money-making projects planned by these clubs, and help to settle any organizational problems which the clubs may have.

The main activity of this organization during the past year was the planning and sponsoring of the annual school carnival.

The Council was under the direction of Lin Jensen, Commissioner of Organizations; Judy Larson, Vice-President; and Shelley Jones, Secretary. Mr. Fred Wisner acted as the Council's advisor.

RALLY COMMITTEE

Under the leadership of the Rally Committee, Las Lomas won, for the third year in a row, the Sportsmanship trophy in football, which is now ours permanently. This would have been impossible if the Rally Committee had not done such a wonderful job of promoting school spirit during the football and basketball seasons.

Activities of this group included selling tickets and pompons at games, planning rallies and skits, making posters for the games, and supervising conduct in the rooting sections. This committee also helped a great deal in selling bonds for our football lights, and it put on the second dance of the year, the "Gridiron Gavotte."

This year was the first time that our school had an official mascot, the Las Lomas Knight, who helped the Rally Committee immeasurably to build spirit at both games and rallies. The Knight made his initial appearance at our football game with Mt. Diablo.

Joan Schuppert, as Rally Commissioner, was assisted by advisors Mr. Paul Simons and Mr. Paul Redding.

The Rally Committee is composed of the cheerleaders, song leaders, majorettes, and other members of the student body who are selected by the Rally Commissioner. Former cheerleaders and song leaders are honorary members.

ASSEMBLY COMMITTEE

The Assembly Committee, under the leadership of Jacqueline Laverty, Vice-President of the student body, has been one of the most hard-working organizations at Las Lomas. This committee planned and presented seven assemblies to the student body. They also helped in the planning of our school rallies and set up chairs for all the assemblies and rallies.

One of the most interesting assemblies this year was presented by General Motors. A way of cooking electronically and a machine which works on the principle of the jet were demonstrated by the General Motors' representative. Another assembly which everyone enjoyed was one in which an agent from the F.B.I. spoke. He told about several interesting criminal cases, some of which he had worked on himself.

Assembly Committee meetings were held every week. The acting secretary of the Committee was Cheryl Bouick, and a great deal of help was given by faculty advisors, Mr. Paul Simons and Mr. Paul Redding.

GAMES COMMITTEE

The Games Committee is made up of a group of students who are headed and chosen by the Commissioner of Grounds and Buildings. This year the Commissioner was Pete Ostrom. This procedure is much the same as in the Rally Committee. The students sign up and they are chosen according to what they write on the application. The purpose of this committee is to keep order around the football field and basketball court during all home games. They are also responsible for taking tickets. The Games Committee members have hats somewhat like the Rally Committee, and they are worn when the members are on duty.

GIRLS' SERVICE SOCIETY

The Girls' Service Society is an organization whose main purpose is to do what the name implies—offer service to the school. It consists of twenty-five girls who are chosen by the faculty for their citizenship record and loyalty to the school.

This past year Girls' Service was in charge of supervising the lunch lines, and it also sponsored a booth at the Council of Organization's Carnival. Members of this organization are available for helping at any school event by ushering, serving, or helping in any way they can.

The Girls' Service Society is sponsored by Mrs. Kathryn Taylor, and the officers include Judy Larsen, President; Linda Robinson, Vice-President; and Carol Cashin, Secretary-Treasurer.

HI-Y

Hi-Y is an organization composed of boys whose purposes in life are to promote good citizenship and high standards of Christian character throughout the home, school, and community. The club also promotes friendly relations among the students of Las Lomas, and it does various services for the school.

This year the Hi-Y, together with the "Page" staff, sponsored a spring dance, "Manhattan."

Officers of Hi-Y are Frank Cox, President; Jim Hobbs, Vice-President; Pete MacVean, Secretary-Treasurer; and Dave Gray, Chaplain. Mr. Sweetman was the club advisor.

The Music Club is a very large and active club at Las Lomas. Its membership consists of students belonging to the various musical performing groups.

During the past year the Music Club has participated in music festivals and band days at C.O.P. and Cal, sponsored a magazine sale jointly with the Girls League, held cake sales, participated in the annual Council of Organizations' Carnival, and various community functions, such as the Walnut Festival. This year, for the first time, the Music Club gave two scholarships, one to an outstanding instrumentalist and one to an outstanding vocalist.

The band, especially, contributed much to the school spirit at Las Lomas by playing at the football and basketball games and at rallies and assemblies.

Mr. James Schwartz was advisor of the Music Club. The officers were Annette Ramelli, President; Bruce Browne, Vice-President, and Shelley Jones, Secretary-Treasurer.

GIRLS' LEAGUE

Girls' League is an organization to which all girls attending Las Lomas belong. G.L.A. sponsors an annual Big Sister Party, a Mother-Daughter Tea, and a scholarship, which is given to a deserving senior girl. Some of the money used for this scholarship is earned in the annual magazine drive.

This year's turn-about dance, Ubangi Fling, was one of the Girls' League's most successful projects. On January 25, the gym took on a jungle atmosphere, complete with tree huts, monkeys, Ubangi warriors, and hundreds of curious little native faces.

The officers of G.L.A. are Sue Wallace, President; Betty Casady, Vice-President; Jackie Stow, Secretary; Sharon Gilbertson, Treasurer; Annette Ramelli, Rules Commissioner.

Junior Statesmen of America is a nation-wide organization with chapters in thousands of high schools in the United States. It is designed to give high school students an opportunity to learn about and participate in democratic processes of government.

This year the Junior Statesmen at Las Lomas sponsored a drive for Hungarian relief and a mock election; they helped run the freshmen election and officiated at the student body elections. Other J.S.A. activities included selling refreshments at the basketball games and sponsoring a cake sale. Las Lomas Junior Statesmen also worked for expansion by attempting to start a chapter at San Ramon High School.

Officers of the Las Lomas chapter of J.S.A. are Norman Farquhar, President; Mary Kay Weaver, Vice-President; Sharon Stanton, Secretary; Doug House, Treasurer; Lin Jensen, Parliamentarian; Kathy O'Neal, Publicity Director; Parker Maddux, Program Director. Miss Melissa Rose and Mr. Robert Pape sponsor the Junior Statesmen chapter at Las Lomas.

PALLADIANS

"Palladians" is the Las Lomas chapter of the California Scholarship Federation. In order to be recognized as a member of this organization, a student must have three A's and one B. The purpose of C.S.F. is to "recognize, encourage, and reward scholarship."

Included among the many activities of the Palladians were the tutoring system, the semiannual initiation dinners, a hot dog booth in the Council of Organizations' Carnival, selling school pencils, and cake sales. The members of the Palladians are also responsible for the raising and lowering of the flag in front of the school each day.

The Palladians had the honor of being elected the President school of the Central California C.S.F. member schools' annual convention. This Convention was held at Las Lomas on May fourth and was attended by over one thousand delegates. Members of the Palladians, headed by Annette Ramelli, Chairman of the Convention, worked very hard to make the Convention the huge success that it was.

With the help of Miss Manes and Mr. Kirkpatrick, the Palladians were organized into a strong and lasting organization. The officers were as follows: Marge Johnson, President; Norm Farquhar, Vice-President; Nancy Weant, Secretary; Betty Casady, Treasurer; Madeline Deklotz, Representative to Council of Organizations.

In order to accomplish their purpose, the members of Future Teachers participated in a cake sale and sponsored a booth in the Council of Organizations' Carnival. They went on two field trips, one to Cal, and the other to the School for the Deaf and Blind in Berkeley. They also attended a Future Teachers of America Convention at San Jose State College.

The members of this organization also set up a plan for student teaching after school at a grammar school in Walnut Creek.

Future Teachers were under the supervision of the advisor, Mrs. Chiado. The officers of this organization were Carol Eisenman, President; Joyce Bolar, Vice-President; and Gary Ink, Secretary-Treasurer.

The main event sponsored by the Latin Club was the annual banquet held near the end of the school year. The dinner was very successful, nearly all of the Club members attending.

SPANISH CLUB

Promoting interest among the Spanish students at Las Lomas in the culture, customs, and food of the Spanish American countries is the main objective of the Spanish Club. Their activities this year included the annual Spanish dinner, a merienda, which is a midafternoon supper, field trips to different California missions, a booth in the school carnival, the sale of Spanish dictionaries, and a Spanish conversation table.

The Spanish Club is under the direction of Miss Salaverria, and the officers of the past year include Dick Noble, President; Carol Gass, Vice-President; Anne Chamberlin, Secretary; and Margie Kennison, Treasurer.

The Advanced Communications class, under the able direction of Miss Melissa Rose, among various other activities this year, published the school paper, "The Page." The newspaper editors, with the splendid leadership of the Editor-in-Chief, Alice Davis, greatly increased both the quantity and quality of the news, social, and sports coverage.

Besides the general "blood, sweat, toil, and tears" involved in putting out a newspaper, "The Page" staff sold football programs, attended press conferences, went on field trips, and sponsored a dance with the Hi-Y. All in all, the experience and work in publishing the newspaper proved to be an education in itself.

The staff of "The Page" included Alice Davis, Editor; Kathy O'Neal, News Editor; Kay Ross, Assistant News Editor; Sandy Guidi, Feature Editor; Lynne Turman, Social Editor; Karen Bringolf, Assistant Social Editor; Bruce McBride, Sports Editor; and Bev Westman, Business Manager. The reporters included Irene Pieper, Janice Janof, Lynne Price, Roger Duncan, Bob Pierce, Gene Gordon, Wendy Kidwell, Carol Teskey, Toni Oswill, Tom Green, Dick Dodge, Nancy Backus, and Barbara James.

SPORTS

Winding up the 1956 football season with an over-all record of six wins and two losses and a five wins and one loss record in the Contra Costa division of the Diablo Valley Athletic League, the Las Lomas varsity football team placed second in the league standings. Their only loss was to the Pittsburg Pirates, who won the championship.

The Knights started out their season by playing host to the San Ramon Wolves of Danville. The Knights looked exceptionally good in running over them, 19-0. Fullback Ken Stevens led the Knights' scoring with two touchdowns to his credit. Halfback Pete Ostrom scored the other touchdown.

Coach Deklotz' team dropped their second practice game, 14-6, at the hands of Sir Francis Drake of San Anselmo. The game was played on an extremely hot day, which slowed both teams down. The Knights' only score was by Halfback Dick Bergdale on a pass from Quarterback Jim Symington.

Moving into the league season, the Knights started out showing strength. In their first game, against the Antioch Panthers, they rolled over Antioch with a fairly easy 21-7 victory. The Knights then proceeded to mow down the Pleasant Hill Rams, 48-6, and the Mt. Diablo Devils, 21-7. Both games were played on the Mt. Diablo field.

After the Mt. Diablo win, the Knights dropped their only league game of the season. In a close-fought 6-0 battle with Pittsburg, Las Lomas came out on the losing end. The game was a brilliant display of excellent football, and although it meant the loss of the championship for the Knights, everyone was pleased with the job that the Knights had done.

The Knights finished the season by literally crushing the Pacifica Spartans and the Acalanes Dons. The score of the Pacifica tilt was 28-0, and the Acalanes game was 30-19.

Las Lomas did very well in placing three of its team on the first string, All-County Team. The players were Webb Johnson at center, Skip Andereggen at guard, and Pete Ostrom at halfback. Pete Ostrom was also named the league's leading scorer. On second team were Tom La Perle at tackle, and Jim Symington at quarterback. On the third team were Tom Toland at center and Dick Bergdale at end.

Herb Foster, Britt Williams, Ken Stevens, and Wally Busch received honorable mention.

In Las Lomas awards, Jim Symington received the Most Valuable Player Award, Skip Andereggen received the Most Valuable Lineman Award, Wally Busch received the Coaches' Award, and Webb Johnson and Ken Stevens were elected co-captains of the year.

Webb Johnson was also picked for the All-Northern California Team and the All-Metropolitan Team.

Congratulations to both Coach George Deklotz and Assistant Coach George Davis for the excellent job of coaching they did with the team this season.

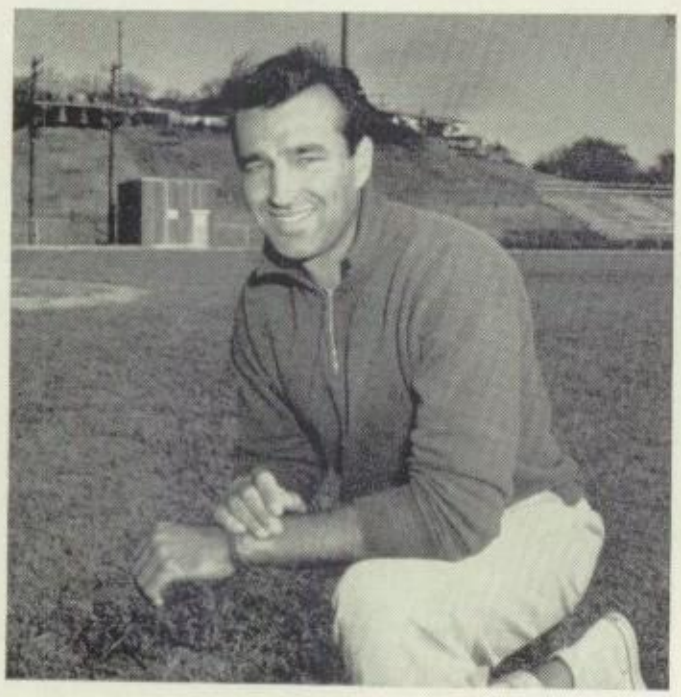
JUNIOR VARSITY FOOTBALL

This year Las Lomas' "Little Knights" ended a successful season with a four win, three loss and one tie record. Coached by Mr. Butler and Mr. Brott, the J.V. team beat Amador, Miramonte, Antioch, and Acalanes.

The season's opener was the Amador tussle. Las Lomas seemed to have no difficulty dropping the Dons from Pleasanton in a well-played game. Next came Miramonte, and our cousins from Orinda almost shocked the Knights by their quick maneuverability and efficient ball handling. The Knights came out on top, however, by only one touchdown.

The first league game was played against Antioch, and the Knights squeezed by with a one-point victory. Pleasant Hill followed and became the game with the biggest surprises and greatest disappointments. The final gun found the J.V.s making their way homeward on the tail-end of the score.

In the following three games against Mt. Diablo, Pittsburg, and Pacifica, respectively, the J.V.s had one disappointment after another, losing the first two by close scores and tieing the third. "The team," said Coach Butler, "didn't have enough desire to win in these games, and sometimes we were completely outplayed." He added later, "The team usually cannot get together a sustained drive."



The last game with Acalanes was a fitting end for the season, however. The J.V.s, playing on their own field and under their own lights, completely swamped the opposition with a series of "sustained" drives. This gave them their fourth win, a well-deserved one it was.

VARSITY BASKETBALL

The Las Lomas varsity basketball team, under the leadership of Coach Merrill Callow, completed their most successful season in the history of the school. The team made a very good showing in their practice games, winning four out of the eight games played.

The first game against Piedmont was very close, being lost by only five points. But the Knights won the next two games against John Swett and San Ramon, proving that the team really could win. Three other games were lost to Albany, Oakland, and De Anza, but the varsity team beat both Harry Ells and Vallejo, making the record four wins and four losses.

Getting off to a poor start in the League games, the Knights lost the first six games to Acalanes, Mt. Diablo, Pleasant Hill, Antioch, Pacifica, and Pittsburg. However, most of these games were lost only by a few points. By carrying out their motto, "Never say die," the Knights won games against Acalanes, Pleasant Hill, Antioch, and Pacifica before the season ended. The other two games were lost to Mt. Diablo and Pittsburg.

Coming up from the bottom of the list, the Las Lomas varsity basketball team placed fourth on the final Diablo Valley Athletic League ratings. Among the most outstanding players this year were Joe Sibley, Doug Potter, Frank Cox, and Art Dalbey. The player who was named Most Valuable Player of the Year was Joe Sibley; the Captain of the Year was Doug Potter; the Most Improved Player Award was given to Art Dalbey.

Mr. Chander Kjos, in his first year of coaching the "B" Basketball team at Las Lomas has made a splendid account of his skills. Coach Kjos' squad finished the entire season with a 9 win, 12 lost record. In league play, the club obtained a 5 win, 7 lost record and finished up in a fourth place tie with Pacifica.

The "B" team had no individual standout because it worked as a unit. The team members never gave up, even when the score spelled defeat. The "B" squad was well balanced, since it consisted of five juniors, four sophomores, and six freshmen.

VARSITY BLOCK LL

The Block LL Society is designed to build up interest in boys' sports at Las Lomas, and to promote participation and competition in these sports. The aims of this organization are to encourage student support of school athletic functions, and to improve citizenship and sportsmanship records. The Block LL has just completed a most successful year in fulfilling these ideals.

This year has been a busy one for the Block LL. Its many activities included several car washes, two booths for the Council of Organizations' Carnival, an initiation dinner for new members, and the organization's regular meetings.

Block LL is under the direction of Jim Symington, President; Herb Foster, Vice-President; Wally Busch, Secretary-Treasurer; and Mr. Vere Butler who acted as the advisor.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association is one of the busiest organizations at Las Lomas. G.A.A. activities include an officials' club, volleyball, tumbling, basketball, swimming, tennis, softball, and modern dance. Tournaments are held in each of the team sports and tennis. G.A.A. also sponsors many special events, such as the Fun Fest, an annual awards dinner, a "Lick the Dons" sucker sale, a synchronized swim show, a Faculty vs. All-Star volleyball game, and booths in the annual Carnival. Membership in this organization is earned by participating in two-thirds of the games played during one sports season.

However, G.A.A. is not all play. This club has a very well organized cabinet and council which carry out all G.A.A. business and plan the sports seasons and special activities for each year.

Much of the credit for the success of this club at Las Lomas must be given to the sponsors, Miss Bristol, Mrs. Buzzy, and Miss Heisler, who have contributed so much of their time and energy to G.A.A.

The EL CABALLERO is the chief responsibility of a very ambitious group of people, headed this year by Annette Ramelli and Madeline Deklotz, editors. Many hours were spent by the entire class scheduling pictures, writing and typing copy, selling ads, reading proof, and making lists of names. Every deadline was a crisis that was met with cheerful smiles. It is to be hoped that this book is an adequate representation of the care and work that went into it, that the pictures will serve to jog your memories from time to time, and that the remembrances of people and activities will be a valuable aid in remembering Las Lomas, 1957.

ACKNOWLEDGMENTS

Upon completing the 1957 El CABALLERO, we feel that we owe a great deal of thanks to many people who have played both large and small parts in the production of this annual.

No yearbook can be edited without the help of a competent and dependable staff. We feel that we had just such a group working with us during this past year, and we greatly appreciate all the help and assistance which they have given us, for without them this book would not have been possible. The staff consisted of Jane Berry, Carol Cashin, Wendy Kidwell, Bruce McBride, Marian Nicholson, Eddie Picone, Kay Ross, Sue Sankey, Sandy Slingsby, Carol Teskey, Dee Walker, Bev Westman, Toni Oswill, and Tom Greene.

We also wish to thank the faculty and administration for the wonderful co-operation and understanding which they have given us during the past year, and Ted Gurney, Gene Gordon, and Roger Clark for the excellent photography they have done for this yearbook.

Special thanks are owed to Mr. Bob Moon of California Art and Engraving Company and Mr. Bob Ozias of Lederer, Street and Zeus for the invaluable assistance which they have given us in designing and editing the 1957 EL CABALLERO.
